PREK READING CORPS FACT SHEET

What are PreK Reading Corps services?

- PreK Reading Corps is an evidence-based, people-powered program that can meet the needs of all students. We train Interventionists to deliver the critical language, literacy and math skills preschool children need to be ready for Kindergarten. Interventionists work hand-in-hand with classroom teachers to deliver research-based interventions in the classroom and in targeted, small groups or one-on-one with children.
- PreK Reading Corps Interventionists are trained to support the development of preschool children’s early language and literacy skills using research-based intervention techniques primarily targeting the following language and literacy skill areas: 1) oral language, conversation, and comprehension; 2) vocabulary and meaning; 3) book and print concepts; 4) phonological memory and awareness; and 5) alphabetic principle and knowledge.
- When children are present, Interventionists dedicate their time to provide **embedded** and **explicit** instruction to support the core curriculum throughout the daily routine and provide targeted small group and one-on-one support to children needing more intense supplemental instruction.
- The PreK Reading Corps program model supports the implementation of a Response To Intervention (RTI)/Multi-Tiered Systems of Support (MTSS) framework in early childhood. Simply put, this model includes frequently assessing students’ literacy skills and reviewing this data to make instructional decisions for students.
- Recent studies confirm early math is an important component in literacy acquisition, and PreK Reading Corps combines that skill development to provide your students with the complete package: Essential language and literacy skills as well as fundamental, early math skills.

Early Language and Literacy Skills	Early Math Skills
Oral Language, Conversation, Comprehension Vocabulary and Meaning Book and Print Concepts Phonological Memory and Awareness Alphabetic Principle and Knowledge	Subitizing Object Counting Counting Based Comparisons Number After Knowledge Mental Comparisons Composing and Decomposing

Who are PreK Reading Corps Interventionists?

- PreK Reading Corps Interventionists serve as AmeriCorps members who focus on solving a societal problem – in this case, a gap in reading achievement. AmeriCorps is often referred to as the “domestic Peace Corps.”
- PreK Reading Corps Interventionists are individuals engaged in commitment of service, during the school year (August 2021 through May 2022), in meeting needs in their local communities through AmeriCorps and are commonly referred to as “members” or “Interventionists.” Interventionists are not employees of the school. In this document, those serving will be referred to as “Interventionists.”

- Reading Corps Interventionists maintain a stable, regular schedule of hours at a site¹ and are supervised by an Internal Coach at the site.

Which students are eligible for Reading Corps services?

- The PreK Reading Corps Interventionist is placed in one classroom to serve **all** the children in that room. An Interventionist can serve in both an AM classroom and a PM classroom. Reading Corps Interventionists serve in Head Start, GSRP, or GSRP/Head Start Blend classrooms, school district early childhood programs serving children considered “at-risk”, and nonprofit child care programs (e.g., YWCA).
- An Interventionist must be placed in a classroom that serves 3- to 5-year-old children, **with priority on classrooms with 4- and 5-year-old children.**
- Children whose assessment data indicate a need for more intense individualized instruction will be eligible to receive Tier 2 or Tier 3 supplemental support from the Interventionist.

What assessments are used by Reading Corps?

- The current assessment tool is the Preschool Early Literacy Indicator (PELI). The PELI assessment is designed for preschool and pre-kindergarten children (ages 3 to 5) and assesses alphabet knowledge, vocabulary and oral language, phonological awareness, and comprehension. The assessment is given in a storybook format that will be familiar to most preschoolers. The measure is untimed and takes about 15 minutes to administer per child. Benchmark assessments are administered by the Interventionist with **all** children in his or her classroom in the fall, winter, and spring.
- The Early Math Inventory (EMI) is used to assess numeracy skills in 3-5-year-olds students. It is untimed, takes 5-10 minutes, and is administered in fall, winter, and spring with all students in the class. Children receiving Tier 2 or Tier 3 support receive brief progress monitoring checks every two weeks. The purpose of more frequent assessment is to gauge student progress and the effectiveness of the intervention and supports the team with instructional decision making.

What Tier 1 interventions are used by Reading Corps?

- PreK Reading Corps Tier 1 interventions are designed to support core instruction. The Reading Corps model works well with any research-based curriculum (e.g., Creative Curriculum, OWL, etc.).
- PreK Reading Corps Interventionists provide embedded and explicit language and literacy support to all students throughout the daily routines, including: Arrival, Sign-in, Daily Message, Choice Time, Repeated Read Aloud, Tier 2 or Tier 3 Intervention time, Journaling, Meal Time, Small Group, and Transitions.
- PreK Reading Corps classrooms are expected to incorporate a Repeated Read Aloud into the *daily routine*. The same theme-related book is read daily for one week. The teacher and Interventionist incorporate talking, reading, writing, and math into each reading to develop vocabulary and comprehension and early math skills.

What Tier 2 and Tier 3 interventions are used by Reading Corps?

- 7 children per class are identified to receive targeted interventions
- Tier 2 = small groups of 2-3; 10-15 minutes daily
- Tier 3 = One-on-one; 5-10 minutes daily

Tier 2 and Tier 3 Interventions:

¹ Site have the option for Interventionist(s) to serve in-person, virtual or hybrid to meet site specific needs.
Guide to Becoming a PreK Reading Corps Site 2021-22

- Repeated Read Aloud: To increase vocabulary and comprehension
- Phonological Awareness (10 levels): To increase skills in auditory discrimination, including environmental sounds, rhyming, and alliteration
- Visual Discrimination (3 levels): To increase skills in visual discrimination, including letter names and letter sounds
- Early Math (7 levels): To increase skills in early numeracy, including subitizing, object counting, counting-based comparisons, number after knowledge, mental comparisons, composing and decomposing, and number after equals one more.

How often do Internal Coaches meet with the Interventionist?

- *Internal Coaches are expected to conduct two observation and coaching sessions each month (1-2 hours per session) with each PreK Reading Corps classroom and are supported by an external Reading Corps Coaching Specialist.*
- Coaching sessions include conducting an intervention integrity checklist, observing and giving feedback on the Literacy and Math Rich Schedule, providing input into the data-based decision making process, problem-solving, providing objective feedback and affirmations, facilitating reflection, and goal-setting.
- Internal Coaches can expect to dedicate *6-9 hours per classroom per month* to Reading Corps. In addition, Internal Coaches attend Reading Corps Institute and additional training throughout the year.

IS PREK READING CORPS A GOOD FIT FOR YOUR SITE?

Good news – PreK Reading Corps thrives in a wide variety of contexts. There are a few bare minimum considerations:

- ☐ Does your PreK program serve students ages 3-5? **Priority given to 4-5 year old classrooms.**
- ☐ Is there support for research-based literacy interventions to occur during the school day? (e.g., a place for tutoring, a computer with internet access and a video camera, all teachers know what the PreK Reading Corp does)
- ☐ Is student contact time sufficient for an Interventionist schedule (e.g. 37.5 hours week for full-time)?
- ☐ Is there support for research-based literacy interventions to occur during the school day?
- ☐ And one, final, critical factor: **Is there someone on your staff with the talent and capacity to serve as the Internal Coach? Please turn to the “[Description of Internal Coach](#)” in this document and review it.**
- ☐ How will the Internal Coach’s schedule reflect time for Reading Corps duties (approx. 6-9 hours per classroom per month) plus training?
 - ☐ How will you compensate the Internal Coach for required August training dates? All training will be completed online and will be asynchronous. New Internal Coaches will complete approximately 16 hours of online training over a specified period of time in August. Returning Internal Coaches will complete approximately 6-8 hours of online training over a specific period of time in August.
 - ☐ How will you compensate the Internal Coach for time spent on PreK Reading Corps duties throughout the year?
 - ☐ Name of proposed Internal Coach: _____

Here are some other factors that we’ll want to know in order to customize a PreK Reading Corps award for your site:

- ☐ What curriculum are you currently using, if applicable, and what assessments do you use and for what purpose?
- ☐ In which space(s) would Intervention occur? *Note: sites have the option for Interventionists to serve in-person, virtual or hybrid to meet site specific needs.
- ☐ To which computer(s) or other device(s) would Interventionist(s) have regular, reliable access? Sites provide a device to the Interventionist during their term of service. Device needs to have camera to allow for remote based support, and microphone.
- ☐ What secure (locked) storage could the Interventionist utilize (for student files, for personal effects, etc.)?
- ☐ What is the lead classroom teacher’s perspective on helping implement Reading Corps in the classroom?
- ☐ Which classrooms with which teachers will be identified for Reading Corps Interventionist(s)?
- ☐ Is the Response to Intervention/Multi-Tiered Systems of Support model of service delivery utilized at your site? In what areas (e.g., academic, behavior)?
- ☐ What is your current enrollment of preschool students? Do you predict noteworthy changes for 2021-22?
 - ☐ Site has computer with internet access and a video camera to allow for remote based support, observations, and monthly data review meetings.
- ☐ What do we need to know about your district or agency in order to comply with your own district or agency's policies for partnerships? For example, with whom should we work on the following if they come up?
 - ☐ MEC runs extensive background checks and cannot pay for or ask Interventionists to pay for any additional background checks. If *additional* background checks or fingerprints are required, **the site must cover the cost.**
 - ☐ Posting open Interventionist positions on a district or site employment page (Recruitment contact: _____ - _____)
 - ☐ Posting a site sign with the AmeriCorps logo, Reading Corps logo, and potentially the logo of any funder who is sponsoring the program at your site

DESCRIPTION OF INTERNAL COACH

On-site literacy and math coaching is a critical element to the success of PreK Reading Corps and its students. The ability to provide adequate coaching support must be carefully considered.

Michigan Education Corps charges a \$5,000 per Interventionist participation fee for each school/site, *regardless if the Interventionist is full-time or part-time*. The primary cost for a school is devoting a percentage of time for a staff person to be the Internal Coach.

Internal Coach Description							
Role	The Internal Coach is designated by the administrator and will be trained by Reading Corps to provide literacy support and oversight to the PreK Reading Corps Interventionists. Internal Coaches will uphold the PreK Reading Corps model and act as a liaison between teachers and Interventionists or program staff.						
Person	<p>The service site or ISD will name a staff person(s) to become an Internal Coach for PreK Reading Corps. An excellent candidate include center managers, supervisors, mentors, education coordinators, lead teachers, literacy specialists, etc., provided he or she meets the following three criteria. An Internal Coach may not be a classroom teacher.</p> <p>An Internal Coach should:</p> <ul style="list-style-type: none"> ➤ Have a sound background in early literacy ➤ Be open to feedback and to new approaches to early literacy ➤ Have time allocated to fulfill the responsibilities listed below <p>Note: Challenges occur when a director/principal assigns this responsibility to a staff position without concretely opening dedicated time in that position for PreK Reading Corps coaching. We recommend that directors/principals be thoughtful about <i>incorporating</i> this responsibility into a staff person's position, and consider other responsibilities that can be taken "off his/her plate."</p>						
Time Commitment	<ul style="list-style-type: none"> • Average of 6-9 hours of coaching and Interventionist support <u>per Reading Corps classroom per month</u> • <table border="1" style="margin-left: auto; margin-right: auto;"> <tr> <td>Required training + coaching for 1 classroom</td><td>= approx. 0.1 FTE</td></tr> <tr> <td>Required training + coaching for 2 classrooms</td><td>= approx. 0.15 FTE</td></tr> <tr> <td>Required training + coaching for 3 classrooms</td><td>= approx. 0.2 FTE</td></tr> </table>	Required training + coaching for 1 classroom	= approx. 0.1 FTE	Required training + coaching for 2 classrooms	= approx. 0.15 FTE	Required training + coaching for 3 classrooms	= approx. 0.2 FTE

Required training + coaching for 2 classrooms	= approx. 0.15 FTE						
Required training + coaching for 3 classrooms	= approx. 0.2 FTE						
Training	Complete a series of self-paced, online training modules lasting approximately 8-16 hours. Training will be sent to Internal Coaches at the beginning of the program year or when they register with the program and should be completed within two weeks of an Interventionist starting.						
Responsibilities	Provide required on-site orientation for the Interventionist(s) to introduce them to your site. MEC will give guideline for what is expected.						

Develop a consistent weekly schedule with the Interventionist that accounts for the daily and weekly hour's commitment of their position: Full-Time (FT) Interventionist serves 37.5 hours at the site. Interventionists should work with a full caseload of students at any given time

Provide support to allow the Interventionist to develop professionally throughout the year, including inviting the Interventionist to participate in **professional development opportunities** at the service site and in the community

Conduct **two coaching sessions per month per classroom** to do the following:

- Help PreK Reading Corps Interventionist and teaching team **implement the Response to Intervention/MTSS data-driven decision-making model** to review data & set goals
- Assist in the Interventionist's **implementation of student literacy assessments**
- **Conduct integrity observations** of the assessments (three times/year) and interventions (twice-monthly) used by the Interventionist to ensure fidelity to the model
- Complete a literacy and math environment checklist to provide objective feedback and suggestions to the teaching team to enhance the literacy environment
- Ensure integrity to the **Literacy and Math Rich Schedule**
- Support the Interventionist in implementing the family literacy intervention, **Talk, Read, Write and Count with Me!**
- Ensure the Interventionist is **accurately reporting student data**, including assessment scores and demographic information, by the deadlines

Consult with the Coaching Specialist, who meets with the Internal Coach and Interventionists to do observations, conduct fidelity checks for assessment and interventions, and review student progress. The frequency of Coaching Specialist visits ranges from three times per year to once a month, depending on the site's needs and the Internal Coach's experience with PreK Reading Corps

Work closely with MEC program staff and site administration to **proactively** manage Interventionist performance and address issues as they arise. Interventionists are expected to adhere to site policies and procedures, and MEC policies regarding confidentiality, safety, dress code, attendance, etc. Note: documentation may be required for next steps. Internal Coaches are asked to be a first line of accountability for Interventionists.

Complete a **semi-annual online program survey** and participate in **semi-annual site visits** with MEC program staff

Approve Interventionists' timesheets once every two weeks and complete a **Interventionist performance evaluation** two times per year

As needed, participate in **special site visits** to highlight and demonstrate the effectiveness of the PreK Reading Corps program. These site visits may include media, legislators, corporations, and other parties involved in funding.

SITE EXPECTATIONS IN IMPLEMENTING PREK READING CORPS

1. Identify a staff person to fill the role of [Internal Coach](#) and allocate sufficient time for the person to attend training and fulfill the responsibilities of PreK Reading Corps, including providing on-site supervision and support to the PreK Reading Corps Interventionist. Pay for the cost of substitutes to allow Internal Coach to attend training (if applicable).
2. Collaborate with MEC staff to find high-quality PreK Reading Corps Interventionists for your site. Site-based recruitment is a critical tool MEC relies on for attracting and placing Interventionists at your building. Your participation in outreach and recruitment is essential.
3. *Prioritize the placement of PreK Reading Corps Interventionists in classrooms that serve 4- and 5-year-olds who are going to Kindergarten the next year.* MEC discourages placing Interventionists in 3 year-old classrooms.
4. Educate lead teacher and teaching teams about the PreK Reading Corps model and expectations to capture buy-in and support for implementation. MEC **strongly encourages** lead and assistant teachers to participate in portions of the online training.
5. Welcome the Interventionist to the site, introduce to staff, provide an orientation to the site, etc. In addition, designate Intervention space that allows children to focus on the task. Provide space for the Interventionist to use, including a locked filing cabinet and computer access (with Google Chrome or Firefox as the web browser; internet access, and video camera).
6. **SEEDS “Big 5” Early Literacy Predictors:** The classroom teaching staff and Interventionist commit to intentionally incorporate the following SEEDS “Big 5” early literacy predictors in their daily interactions and schedule:
 - Conversation skills
 - Vocabulary and background knowledge
 - Book and print rules
 - Phonological awareness (rhyming & alliteration)
 - Alphabetic knowledge

Internal Coaches and Interventionists will be trained in the concepts and strategies from SEEDS of Learning during Institute and additional professional development.

7. **Literacy and Math Rich Schedule:** The classroom teaching staff and Interventionist commit to using the PreK Reading Corps Literacy and Math Rich Schedule, which is a **tool** that outlines the classroom expectations for PreK Reading Corps. The schedule serves as a guide to build evidence-based routines into the daily schedule, and helps classrooms determine how the SEEDS “Big 5” essential skills will be embedded and explicit throughout these daily routines and how to individualize instruction. The Literacy and Math Rich Schedule includes the following elements:
 - **Arrival:** Children are greeted daily
 - **Sign-in:** Children write their names daily, with the support of a Interventionist or teacher
 - **Mealtime:** Mealtime conversations with children are encouraged by using a “Strive for 5” conversation loop, with an emphasis on theme-related vocabulary
 - **Large Group:** Children are provided an opportunity for large group learning
 - **Daily Message:** Children are provided with a 2-4 minute fun and meaningful shared print activity (usually done in large or small group)
 - **Repeated Read Aloud:** The same theme-related book is read daily for one week. The teacher and/or Interventionist incorporate talking, reading, and writing into each reading with the intention of developing vocabulary and comprehension.
 - **Tier 1 Small Group:** Interventionists lead an additional Tier 1 small group Read Aloud once a week

- **Journal:** Children are given the opportunity to write and draw something of interest in a journal each week
- **Choice Time/Active Learning:** Children have time to make choices and pursue their own interests in a literacy-rich classroom
- **Tier 2 & Tier 3 Interventions:** Interventionists implement Tier 2 (small group, 10-15 minutes) or Tier 3 (one-on-one, 5-10 minutes) interventions with selected students daily
- **Literacy-Rich Transitions:** The Interventionist and/or teacher use a song or rhyme focused on rhyming, alliteration, letter names, letter sounds, or vocabulary and oral language to transition children from one activity to the next
- **Family Engagement:** The family literacy intervention*, *Talk, Read, Write and Count with Me!*, is sent home weekly to encourage families to talk, read, and write at home. In collaboration with the site, Interventionists communicate program objectives with parents of children receiving PreK Reading Corps services.

** Note: Reading Corps provides Talk, Read, Write and Count with Me! materials annually, but asks that the site be responsible for inventorying and housing extra materials from one program year to the next.*

8. **Student Assessments:** Support benchmarking by the Interventionist during the fall, winter and spring benchmark periods for children in PreK Reading Corps classrooms. In addition, support monthly progress monitoring by the Interventionist to guide instruction and interventions, along with collection of baseline data as applicable.
9. **Response To Intervention (RTI)/Multi-Tiered Systems of Support (MTSS) Data-Driven Decision-Making:** Ensure successful implementation of Response to Intervention data-driven decision-making process. Coordinate decisions about teaching strategies and intervention selection with the Internal Coach and/or teachers based on the needs of each individual child and/or groups of children.
10. Provide demographic data & state-assigned or district-assigned student ID number for students receiving PreK Reading Corps services. Support the PreK Reading Corps program in following federal (i.e., FERPA) and state regulations for data security and sharing. A detailed description of data required from the site for participating students is provided in the PreK Reading Corps Site Agreement.
11. Provide a mechanism for informing families that their child is receiving Reading Corps services. One option is to use the template letter provided by PreK Reading Corps.
12. Ensure service site is accessible to people with disabilities.

Michigan Education Corps Participation Fee

Michigan Education Corps is non-profit. Michigan Education Corps charges a \$5,000 per Interventionist as part of the agreement to receive the PreK Reading Corps program. The fee is \$5,000 for an interventionist whether Part-Time or Full-Time. This fee helps cover expenses to recruit, onboard, train and coach a new Interventionist prior to them starting to tutor students at a school. Example funding options include Title 1, 31a, Additional Time Grant, General School Fund, etc. MEC will also work with schools to approach community partners to cover this and/or additional costs as needed.

Michigan Education Corps does not reimburse the \$5,000 participation fee once an Interventionist has tutoring minutes (regardless of how many minutes) recorded. Further, if an Interventionist starts at a school and then leaves of their own accord or is dismissed by MEC staff (i.e. after a few weeks or even a few months), MEC will work diligently to replace that Interventionist. MEC will not charge an additional participation fee for the replacement Interventionist.

In *some* cases, a full-time Interventionist can only be replaced by a part-time Interventionist. There is no participation fee reduction if a school has a full-time Interventionist and that Interventionist must be replaced with a part-time Interventionist. MEC will work with sites on a case-by-case basis and strive for minimal disruption to the amount PreK Reading Corps service provided with Interventionist transitions if they occur. Further, if MEC can replace a full-time Interventionist with two part-time Interventionists, MEC will not charge an additional participation fee for the additional, second Interventionist. Finally, if MEC is unable to place Interventionists with the fully awarded request, MEC will only charge for the number of Interventionists actually placed at the school.

In summary, MEC will charge the participation fee one time for each unique Interventionist awarded to a service site and only when the individual has tutoring minutes (regardless of how many minutes) at their site.

When a school site is awarded with the requested number of Interventionists and the site agreement is signed, and then the *school later requests fewer* Interventionists, Michigan Education Corps **WILL CHARGE** the participation fee for the number of Interventionists agreed upon in the site agreement.

COSTS OF READING CORPS

Michigan Education Corps charges \$5,000 per Interventionist participation fee (regardless if the Interventionist is full-time or part-time) to receive the Reading Corps program. We recommend that directors/principals be thoughtful about incorporating this responsibility into a staff person's position.
